Benches Engraving to suit

We continue to improve the landscaping of the garden to make it a more beautiful place of prayer and reflection, and we are looking to create a paved path from the sidewalks to the garden in order to improve accessibility. Our goal is to have the new pavers installed and blessed the last weekend in September. Since about 4-weeks are required for delivery, please submit your pre-paid order to the rectory (or you may place it in the collection) by Sept. 1st. Thank you.
