Dear Visiting Family,

We would like to welcome you to St. Cornelius' open house and we thank you for coming to see what our school has to offer you and your family. There are a couple of important pieces of information that we would like to make you aware of.

Fr. Dan, the Pastor of St. Cornelius Parish, made a very exciting announcement regarding an \$80,000 gift to St. Cornelius specifically for tuition costs. This is a part of a new initiative that, over the next few years, will pursue a variety of new funding opportunities for St. Cornelius. We are blessed to have the opportunity to make St. Cornelius more affordable for many of our current families, as well as new families who feel St. Cornelius School is the right place for them and their children. St. Cornelius plans to be at the forefront of expanding affordability of Catholic education, starting with the \$80,000 gift.

At St. Cornelius School, there are many exciting things going on.

1. We have the *opportunity to assist* those who desire a Catholic education for their children, but need help paying tuition.
2. Our *values based curriculum* is geared to meet the needs of today and the demands of tomorrow.
3. St. Cornelius offers *before and after school care* for the busy lives of parents as early as 6:30am to as late as 6:00pm.
4. We have a *student to teacher ratio of approximately 20:1*, which allows for increased student-teacher interaction.
5. We have new and exciting events going on at our school such as the *NASA Seed Project and the Edible Schoolyard Garden* (please see news releases on the back).

On our newly-enhanced website, www.stcornelius.org, the prospective families tab houses school information detailing exciting events, curriculum and activities happening at St. Cornelius. Please visit our site for more information. If you have any questions or would like to speak to our Principal Margaret Campbell, please call the school office at 773.283.2192. Thank you for coming to visit St. Cornelius!

Warm Regards,

The St. Cornelius School Board
